

September 12, 2010

-----A-----

A. B. Hutchison Engineering (Pompano Beach, FL)

Software

Information date: October 1982

- SCP/80 Operating System – extensions for CP/M (full Operator's manual, 25+ pages)

ACOM Electronics (Palo Alto, CA)

Hardware S-100

Information date: 1980

- P188 S-100 bus 8088 Processor Board with price list (5 B&W pages)

Ackerman Digital Systems, Inc. (Elmhurst, IL)

Hardware S-100

Information date: 1981

- Catalog covering 6809 CPU single board computer for the S-100 bus, Prom Blaster, UV EPROM eraser, Noisemaker and Noisemaker II (for the Apple II) boards

ADES (Adaptive Data & Energy Systems) (Pomona, CA)

Hardware – disk controllers

- Overview sheet
- System 8 – 8" Winchester/streaming tape subsystem specifications
- S33 Winchester Disk Subsystem specifications
- Software support sheet

Administrative Systems, Incorporated (Denver, CO)

Software

Information date: 1977

- TEMPOS (Timed Environment Multi-Partition Operating System) Spec sheet (3 pages)
- OPUS High level language spec sheet (3 pages)
- Medical practice billing system sell sheet
- August 1, 1977 price list

Advanced Computer Products (Irvine, CA)

Multi manufacturer distributor

- 84/85 catalog

Advanced Data Sciences (Marion, OH)

Hardware – keyboard enclosure

Information date: 1976

- UNIVUE – keyboard and instrumentation enclosure (2 B&W pages)

Advanced Digital Corporation (Huntington Beach, CA)

Hardware S-100

Information date: 1982/83

- Super Six – High speed 8-bit single board computer for S-100 systems sell sheet (double side color glossy)

September 12, 2010

- Super Star system – 2 user system (double side color glossy)

Advanced Technology Center (Culver City, CA)

Software - Graphics and image processing products

- Graphical Kernel System (4 pages)
- P-Cubed – Interactive Image Processing (2 pages)
- Grafpak-core – subroutine library for developing graphics application programs (4 pages)
- DIP-10 Plus – lets Plot-10 programs run on any graphics display (1 page)
- Grafit – graph generation system (1 page)

Affordable Computer Products (Santa Clara, CA)

Hardware S-100

Information date: 1977

- AZPU/ZILOG Z-80 CPU board glossy sell sheet (1 page)
- DISCI Cassette Interface board glossy sell sheet (1 page)
- Price List

ALF Products Inc. (Denver, CO)

Hardware

Information date: 1978

- AD8 Micro-Bus Adapter (2 pages)
- AD8 music Synthesis Boards (2 pages)
- Pitch Generator boards (4 pages)
- An Introduction to AD8 Music Synthesizers booklet (24 pages)
- 1978 price list

Algor Interactive Systems (Pittsburgh, PA)

Software

Information date: 1985

- Superdraw – Drawing/CAC program for IBM PC/XT (4"x8" 12 panel, glossy, color brochure)
- Supersap – Finite Element Stress and Dynamic Analysis System with CADD for Prime Computers (4"x8" 6 panel, glossy, color brochure)

Alpha Byte Computer Products (Westlake Village, CA)

Multi manufacturer distributor

1982 catalog

Altos Computer Systems (Santa Clara, CA)

Hardware-systems

- Sun-Series 8000 Z80 based computer brochure with Feb 1979 prices (4 pages, glossy 4 color)
- Altos 586 Family (8086 CPU based) system brochure (4"x8 ½" 12 pages, Nov 1982)
- ACS800 family (8 bit CPU based) multi users system brochure (4"x8 ½" 8 panels, 1981)

Amanuensis, Inc

Software

Information date: 1983

- QBAX: An Incremental Backup Utility (4 pages)

September 12, 2010

American Computer and Telecommunications Corporation (Reston, VI)

Hardware – hard drive controller

- ACT-506 double board disk controller for dual Shugart ST-506 micro-Winchester drives – 12 pages with price list, system description, and software command description

Apple (Cupertino, CA)

Hardware – systems

- March 16, 1977 information package
 - Letter from Mike Markkula briefly describing introduction plans for Apple II
 - Apple I sell sheet with prices (double sided, glossy, August 1976)
 - Product Information brochure, Apple I & II (4 pages, tan page with brown type)
 - March 1977 Suggested price list
- Introducing the Apple II, the personal computer glossy color brochure (4 pages, March 1977)
- Apple II specification sheet (double sided, B&W)
- April 1977 Suggested Real Price List, Apple I and II
- Mailing list application/product order form
- October 1977 Apple II systems & boards Suggested Retail Price List
- 1977 dealer list
- July 1, 1979 Suggested Retail Price list (4 pages)
- Apple Personal Computer Systems brochure, covers Apple II and III (3 ½" x 8 ½" 12 panels, 1980)
- Apple III Information Analyst brochure (8 pages, March 1980)
- May 1, 1980 Suggested Retail Price list (4 pages)
- Apple Desktop Publishing glossy color brochure (12 pages, March 1986), "letter" from John Sculley
- Macintosh glossy, color brochure (3 ½"x8 ½" 20 panel fold out, 1984)
- Apple IIc glossy color brochure (20 pages, March 1984)

Applied Data Systems, Inc.

Hardware – graphic controller

Information date: 1983

- VectorScan 512 - standalone graphics processor with 8085 processor, 8k firmware in aluminum case (double sided glossy, color sell sheet)
- Transmittal letter

Artisan Electronics (Parsippany, NJ)

Hardware

Information date: 1977

- Microcalculator Model 85 – advanced scientific calculator for operation with a microprocessor brochure (4 glossy pages)

Associated Electronics Company (Irvine, CA)

Hardware

Information date: 1977

- EPROM Programmer for 1702/1702A with hex keypad (double sided B&W sheet)
- AE16K PS Pseudo-static memory board (B&W sheet)

Atari (Sunnyvale, CA)

Hardware

September 12, 2010

Information date: 1983

- Atari home computers catalog – systems, accessories & software (31 glossy, color pages)

Autodesk, Inc (Mill Valley, CA)

Software (Incorporated April 1982)

Information date: Sept 1983

- AutoCad's initial B&W sales material (6 pages, description, specifications and price list and configuration requirements)
- AutoCad's glossy Program description (4 pages)
- Glossy minimum configuration requirements and list of optional components from other vendors
- Information and price/order form

-----B-----

Borland International (Dublin, Republic of Ireland)

Software

Information Date: 1982

- MenuMaster brochure (4 glossy, B&W pages)
- Transmittal letter

Burt Hashizue (Maynard, MA)

Software

Information date: 1977

- 8080 software floating point package (2 pages)

-----C-----

Cadware Group Ltd. (New Haven, CT)

Software

Information date: 1985

- DGS – Design Graphics System brochure (4 pages, color, glossy)
- Transmittal letter

California Computer Systems (Santa Clara, CA)

S-100 & Apple II products

- Suggested Price List
- Product catalog (60 pages)
- 1979 Product catalog, 12 pages and price list

California Data Corporation (Newberry Park, CA)

Hardware S-100

Information date 1979

- 16 Channel, 12 Bit, A/D converter S-100 Bus Subsystem (4 pages)
- S-100 D/A Conversion System (double sided)
- CDC AD100 – 16-channel, 12 bit A/D converter

September 12, 2010

Cambridge Development Laboratory (Watertown, MA)

Hardware S-100

Information date: 1980

- HR-boards – high resolution graphics cards for the S-100 bus and related software (4 pages)

Cambridge Thermionic Corporation (Cambion) (Cambridge, MA)

Hardware – wirewrap microprocessor boards and testing/building supplies

Information date: 1976

- Microprocessor Board (wirewrap) for Motorola M6800 Evaluation Chip Set (4 glossy pages, 4 color)
- Feb 2, 1976 component price list
- Wirewrapping tools and supplies (8 pages)
- Cambion XQ products brochure (3"x8 ½", 17 pages)

Carousel Microtools, Inc (El Cerrito, CA)

Software

Information date: 1984

- Newsletter for Carousel Tools (24 pages)

Cactus Software (Peoria, AZ)

Software

- Plotography – plotter software (double sided)

CDL (Cambridge Development Lab) Watertown, MA

Hardware

- S-100 graphics board
- Software
- CGEN terminal emulation program for high resolution boards

Central Data Corporation (Champaign, IL)

Hardware S-100

- Dynamic Memory RAM boards sell sheet (double sided)

Centronics (Hudson, NH)

Hardware

Information date: 1977

- Microprinter – non-impact desk-top printers sell sheet (double sided)

Chorus Data Systems (Merrimack, NH)

Hardware

- PC-EYE video capture system brochure (12 full color glossy pages)
- Transmittal letter

Chromod Associates (Hoboken, NJ)

Software – Simplified assembler language

- Information date: 1980
- SMAL/80 brochure and samples (8 pages)

September 12, 2010

- Reprint for Electronics magazine "Structured assembly language suits programmers and microprocessors (6 pages)

C. Itoh Electronics, Inc (Los Angeles, CA)

Hardware – printers

Information date: 1976

- LRC Model 7040 Printer sell sheet (double sided glossy)
- LRC Model 7040T Printer sell sheet (double sided glossy)
- LRC model 7040 series printers Interface guide (32 pages)

Coleco (West Hartford, CT)

Hardware

- ADAM family computer (4"x8" 32 panels glossy color brochure)

Colorgraphic Communications Corporation (Atlanta, GA)

Hardware – color terminals

Information date: 1982

- MVI100 Color CRT Terminal brochure (6 glossy full color pages)
- XL Series color graphics board (use RS232C communication) (double sided color)
- MVI-7/MVI-100 description and specifications (double sided color)
- MVI-819 & MVI-100 model 813 specifications (double sided)
- Commercial Price List

Columbia Data Products (Columbia, MD)

Hardware – multiuser systems

- Concept 1000 – multiuser CP/M system
- IBM PC clones
- Multi-personal computer

Comdec Inc (Gainesville, FL)

Hardware

- Information date: 1982
- VGR-10 Graphics terminal sell sheet (double sided)
- Price list

Complete Business Systems, Inc

Software

- The Creator – computer program creator (2 pages)

Computer Aided Design (San Francisco, CA)

Software

- MicroCad – 3d graphics and modeling system

Computer Emporium Ltd. (New York, NY)

Retail/customized computer services

- March 1979 price list

September 12, 2010

Computer Mail Order East (Williamsport, PA)

Multi manufacturer distributor

- Catalog –
Hardware: Atari, Commodore, VIC, Franklin, Hewlett Packard, others
Software: Apple, Atari, Commodore, VIC and Hewlett Packard

Components Express, Inc (Santa Ana, CA)

Hardware S-100

Information date: 1983

- COEX 64k memory board sell sheet (double sided)

Comptek (LaCanada, CA)

Hardware S-100

Information date: 1977

- CL2400 - Real time clock board sell sheet (double sided)
- PC3200 – Power control system board for control of AC power line switching sell sheet (double sided)
- PC3216 - Control Logic Interface board – 16 independently addressable control channels sell sheet (double sided)

Compu-Draw (Rochester, NY)

Software

- DBPACK – Information management package (4 page)
- Comcom – communication program (1 page)
- Cpmcpm – file transfer program (1 page)

Computex (Chicago, IL)

Computer System Reseller

Information date: 1799

- Product list and price list (2 pages)

Computing! (San Francisco, CA)

Software

Information date: 1982

- Power – monitor functions and disk utilities for cp/m (6 pages)

CompuView

Software

Information date: 1983

- Vedit – text editor detail description (12 pages, 4 color)
- V-Spool – printer spooler sell sheet (1 page, 4 color)
- Modem-86 – Communication program for CP/m-86 and MSDOS (1 page, 4 color)
- V-Bug – Z80 Debugger sell sheet (double sided 4 color)
- V-Com – A80-8080 disassemble sell sheet (double sided 4 color)
- 4 page letter outlining Vedit's update options

Conference Management Corp. (Norwalk, CT)

Computer books, magazines and software

September 12, 2010

- Computer Publications Mail-order catalog (28 pages)

Contex (Torrance, CA)

Software

- Context MBA - information analysis tool (one page)
- Transmittal letter

Continental Specialties Corporation

Hardware – bread boarding supplies

Information date: 1977

- Breadboarding & Test Equipment brochure (12 page color)

Cromemco (Mountain View, CA)

Hardware S-100

- August 1976 Catalog (8 pages, color cover)
- 1976 Catalog (20 glossy, color pages)
- Z-1 Computer system brochure (4 pages, 1977)
- Z-2 computer system brochure (4 pages, 1977)
- 1977 Catalog (20 glossy, color pages)
- 1980 Short Form Catalog (8 pages)
- Autumn 1980 Catalog (72 pages)

CSD Incorporated (Sudbury, MA)

Hardware

Information date: 1982

- Ultra-res graphics controller for IBM computer sell sheet (double sided)
- GRASUB Drive Package sell sheet (double sided)
- PTERM Drive Package sell sheet (double sided)
- October 1982 Price list

Cubicom Corp. (Berkley CA)

Software

Information date: 1985

- Polycad Solid Modeling System brochure (4 page, glossy, color)
- 1985 price list

Cybercom, division of Solid State Music (Santa Clara, CA)

Hardware S-100

Information date: 1976

- MB6A – 8k static memory board (2 double side B&W pages)
- VB1 – graphic controller board (double side B&W pages)
- Dealer list

-----D-----

Databyte, Inc (Middleton, WI)

September 12, 2010

Hardware S-100

- Datalyzer – 24 channel logic analyzer for the S-100 bus

David V. King (West Newbury, MA)

Software

Information date: 1979

- G/Basic for Merlin Video Interface

Delta Products (New Lenox, IL)

Hardware

- S-44 Concept Z-80 Industrial Systems brochure (6 panels)
- S-100 product brochure (4 pages)
- Price lists

Desktop Computer Software, Inc. (Santa Cruz, CA)

Software

- Graph'n'Calc – IBM PC business graphing software (4 pages)

Digital Electronics Corporation (Oakland, CA)

Hardware – portable 6800 based systems

Information date: 1977

- DE6800 microprocessor system in a suitcase brochure (4 pages, 4 color)
- Transmittal letter

Digital Graphic Systems, Inc. (Palo Alto, CA)

Hardware

- Spring 1980 information pack
 - Cover letter
 - Short form catalog
 - Price List
 - CAT-100 double S-100 graphics sub system sell sheet (double sided)
- Sept 1982 information pack
 - CAT 1600 IEEE-696 color video card sell sheet (double sided, glossy, color)
 - Technical spec for the 1600 and 1000 series systems with price list (10 pages)

Digital Research (Pacific Grove, CA)

Software

- Be creative brochure – Operating systems, Untilities, Languages (5 ¾"x8" decreasing tabs, 12 pages plus order form)

Digital Research Computers (Garland, TX)

Hardware – single board systems

- Single board computer kit sell sheet

Digital Systems (Livermore, CA)

Hardware

Information date: Jan 1977

- FDS- Floppy disk system (double sided sheet)
- DSC-2 – Single board S-100 system with dual floppy disks (double sided sheet)
- Pricing and software sheets

DJ "AI" Systems Ltd. (England)

Software

The Last One –generates application (basic) code for commercial applications

Dual Systems Control Corporation (Berkeley CA)

Hardware S-100

Information date: 1981

- Dual 77 - Data acquisition and control systems (6 panels)

September 12, 2010

- A/D, D/A, 4-20 mA outputs & Time Date S-100 cards brochure (4 pages)
- March 1981 Price list

Dutronics (Stockton, CA)

Hardware S-100

Information date: March 1976

- 8KLST – 8k static memory board (double sided yellow sheet)
- DZ80-80 CPU- piggyback card to covert an existing 8080 cpu board to a Z80 (double sided sheet)
- Price/order sheet

Dynabyte (Palo Alto, CA)

Hardware S-100

- 32K Static Ram Module
- 16K Static Ram Module
- 80 Character Naked Terminal
- 16K Dynamic Ram Module
- Dec 1977 Price list
- List of Dealers

Dynamic Microprocessor Associates (New York, NY)

Software

Information date: 1981

- The Formula – tool for developing business information systems (8 pages)

-----E-----

EBKA Industries, Inc (Oklahoma City, OK)

Hardware – 6502 CPU trainer system

- Familiarizer, single board 6502 trainer (2 page description)
- Single board expander for the Familiarizer (2 page description)
- Operation of 6502 Familiarizer (4 pages)
- Price List

ECD Corp. (Cambridge, MA)

Hardware - 6512A CPU systems

Information date: 1977

- Micromind uM-65 System Specifications (4 typewritten pages)
- Frequently Asked Questions about Micromind and Micromind II (5 typewritten pages)
- Price list
- Order Blank
- Micromind glossy color ad page

Note: Cover letter explains the use of typewritten sheets by saying that “our advertising agency’s building exploded and burned to the ground a week ago, destroying the brochures we had prepared for you”
